

I stricly oopose the amendment. I work, I DRIVE IN TRAFFIC TO MAKE MONEY. I CHOOSE NOT TO SUPPORT AND RESPECTIVLU URGE THE FCC TO REJUECT NAB'S PETITION 04-160. I FULLY SUPORT XM ABILTY TO PROVIDE THERE SERVICE. WHY DOESNT THE FCC FOCUS ON ONE THING AT A TIME AND FIX THE TELECOMMUNICATIONS ACT OF 1996.

at a time when our country is suffering so many other issues please focus on the issues .Good luck and all I am asking is to do the RIGHT THING, and I will contunie to support XM on this until I am living under a bridge and taking the bus. Please I cinsider this another attempt to Opress us. just like MTV folks say , I want my MTV , well I want my XM RADIO. i WILL ALSO CONTACT ALL MY SENATORS AND HOUSE REPS CONCERNING THIS MATTER...AND WILL KEEP ON KEEPING ON UNTIL IT IS RESOLVED.

GOOD LUCK AND MY PRAYERS ARE WITH YA... YOU HAVE A MASSIVE JOB .SO PLEASE LET ME HAVE MY XM RADIO.
